

## Lesson 2 - Attaching the black bottom cloth.

Tools and materials needed; black bottom cloth, furniture frame, staple gun, staples, scissors, staple remover and tack lifter.

Cut a piece of black bottom cloth to size ready for stapling. It needs to be 1" bigger than your frame, so if your frame is 20" x 16", cut your hessian to 21" x 17".

Watch Lesson 10 video for detailed instructions.
