DIY UPHOLSTERY

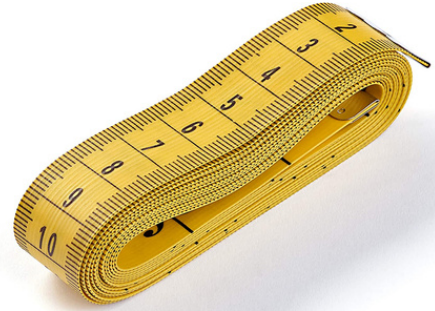

**What tools do you need to
get started?**

Upholstery Tools you need to get started on your project

Rulers 12" and 1m for measuring

Fabric tape measure

Taylor's Chalk for marking fabric or Koh-I-Noor taylor pencil

Hammer with forged fine grain high carbon steel head.

Scissors - for cutting fabric and materials

A hand held staple gun. Example we have used a Bosch Hand held electric staple gun

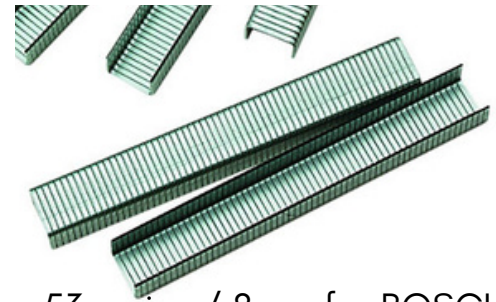

Draper Tack lifter - Used to remove staple and tacks.

Pincers Carbon steel- to remove staple and tacks

Marker Pen

Staples 53 series / 8mm for BOSCH Staple Gun used in video. You will need staples as per your staple gun specification.

Dust sheet to cover work area
