

# Creative Team Building Workshops

Unlock Creativity. Strengthen Connections.  
Build Teams That Thrive.

## What We Do

---

We help organisations build confidence, connection, and creativity through hands-on activities like upholstery, leathercraft, lino printing and seasonal crafting. From one-off away days to year-long partnerships, every experience is designed to leave your people feeling energised, valued, and inspired.

## Who It's For

---

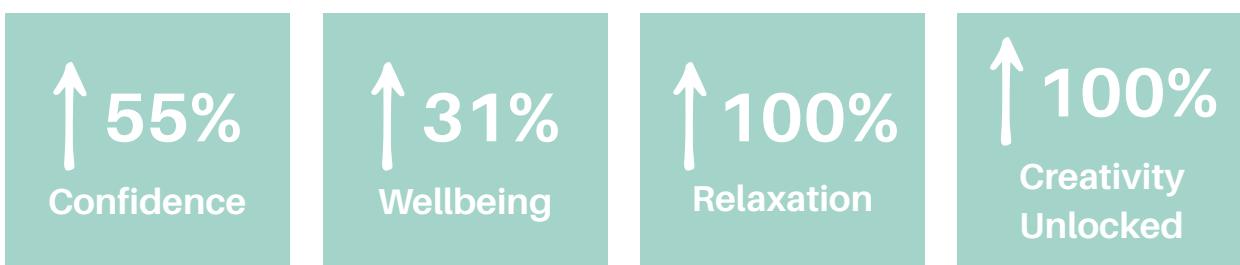

Purpose-driven organisations who value their people and want to invest in team wellbeing, creativity, and collaboration. From admin to senior level, everyone matters.

## Why It Works

- Hands-on, inclusive, and engaging for all abilities.
- Measurable impact-led results.
- B Corp™ certified and sustainable.
- Every workshop blends creativity with connection and purpose.

## The Results Speak For Themselves

“It’s the first time in a long time I switched off from work and didn’t want to switch back on.” — *Sarah Smithson, CEO, Stick & Step*

## Upholstered Noticeboard Workshop

***Creative upholstery that builds focus, confidence and shared intention.***

A hands-on upholstery workshop where each participant designs and makes their own fully upholstered noticeboard. Using a choice of fabrics and materials, the finished piece becomes a practical tool for displaying goals, ideas, photos or reminders, continuing to support focus and motivation long after the day.

### Format

- 3 hours guided, inclusive upholstery workshop
- Choice of sustainable fabrics and materials to personalise each design
- Tool-based and fully supported
- No prior experience needed

### Investment

- £1,800 for a group of 12
- £150 per additional participant. Suitable for groups of up to 16.

## Small Leather Goods Workshop

***Practical leathercraft with multiple personalised keepsakes to take away.***

A guided leathercraft workshop where participants create a selection of small leather items, such as keyrings, card holders or pencil cases. Working with a range of vegetable-tanned and recycled leathers, each person leaves with a set of handcrafted pieces that are both useful and unique.

### Format

- 3 hour guided leathercraft workshop
- Choice of small leather projects
- Multiple items completed

### Investment

- £1,500 for a group of 12
- £125 per extra participant. Suitable for groups of up to 16.

## Leather Belt Workshop

***A skill-building leathercraft experience resulting in a timeless, wearable item.***

A guided leathercraft workshop where participants measure, cut, punch and finish their own leather belt, choosing from a wide range of vegetable-tanned leather colours and hardware. The experience is practical, grounding and deeply satisfying.

### Format

- 3 hour guided leathercraft workshop learning belt-making techniques
- Design and make a full-length leather belt, choosing leather colour and buckle style
- Tool-based, fully supported and inclusive — no prior experience needed

### Investment

- £1,500 for a group of 12
- £125 per extra participant. Suitable for groups of up to 16.

## ***Lino Printing Workshop***

***Calm, accessible printmaking that builds creative confidence with practical keepsakes.***

A hands-on lino printing workshop where participants design and carve their own block before printing onto a reusable cotton tote bag, with a choice of printed cards or a notebook cover. The process is inclusive, immersive and confidence-building.

### **Format**

- 3 hour guided lino printing workshop: design, carve and print your own lino block. Print onto a reusable cotton tote bag, plus a choice of 10 A6 cards with envelopes or a printed notebook cover
- Sustainable papers, fabric bags, inks and materials, fully supported with no experience needed

### **Investment**

- £1,500 for a group of 12
- £125 per extra participant. Suitable for groups of up to 16.

## ***Christmas Alcohol Ink Bauble Workshop***

***A festive, creative experience with a joyful seasonal takeaway.***

A relaxed alcohol ink workshop where participants design and decorate a set of glass baubles, experimenting with colour, pattern and finish. Each bauble is completely unique, creating a playful, festive experience with a beautiful decorative result.

### **Format**

- 2 hour guided alcohol ink workshop
- A set of 6 glass baubles created per person
- Festive, relaxed and inclusive

### **Investment**

- £1,020 for a group of 12
- £85 per additional participant. Suitable for groups of up to 20.

## Why Choose Us

- B Corp™ certified – meeting high standards of social and environmental responsibility
- Inclusive, active, hands-on and tool-driven
- Skill-building, not just relaxing
- High engagement – people leave with something they made themselves, which they're proud of
- Measurable – with impact data, you can evidence wellbeing improvements
- Sustainable – we thoughtfully source certified, recycled and responsibly produced materials wherever possible
- Memorable and practical – participants keep and use the item daily, reinforcing the wellbeing message long after the session

“Emma and her team created a calm, inclusive space to truly switch off – a powerful reminder of how valuable hands-on creativity is for wellbeing.” Mary Watt CEO Live Cheshire.
